

Anglican Parish of Grovely

THE COMMUNITY OF ST MATTHEW'S & ALL SAINTS'

Turrbal and Jagera Country

Parish Vision: To personally and corporately know God in our lives more deeply and to live truthfully, creatively, honestly and lovingly.

If you are visiting today, please make yourself known to the Priest and Welcomers; they will be able to help you with information about the parish.

- ♦ **Holy Communion** is available for all those whose practice it is to receive the sacrament, whatever denomination.

From Fr Stephen

In spite of the rapid pace of life, God still extends to us the invitation to seek proper rest and holy reflection. That is why Jesus and his disciples went from grain field to synagogue, from feeding the body to feeding the spirit. Jesus created disturbances because he wanted life to change so that the people of God would not be smothered by laws, but embraced by grace and renewal. Time away from our normal daily tasks is a gift from God, to be cherished for its own sake, and for its opportunities for rest. Attending church and belonging to a faith community can help instil a certain holiness to our time of rest and renewal. Hearing how God in Christ Jesus reaches out in loving compassion to feed our souls and bodies with His presence and relieve our bruises both physical and mental with His touch will both bless and enrich us.

Blessings

A Prayer for Rest

Dear Father,

This world seems to move faster and faster
And I'm trying to keep up.
But God, in the whirlwind,
Instead I get caught up.

Like an unbeatable force it pulls me in
But I know eventually I cannot win.

I must learn to rest in your perfect peace
And though good, let all endeavors cease.

Oh that my feet would mimic your pace.

So your joy would be set on my face.

Help me, Jesus, to slow down when you would.

Help me, Lord, to rest as I should.

Thank you for loving me just as I am;

Thank you that rest is part of your plan.

Amen.

SUSTAINABILITY ROADMAP

2023-2030

Preamble:

We acknowledge God is Creator whose first revelation is creation, and Jesus is the agent through whom all things have come into being and in whom there is life.

We recognise that the world is our host. Creation is endowed with rhythms and principles that can be ignored, but not abrogated. Humankind takes its place within the created order in covenant with the God of creation.

We accept that under God, we are citizens of the Community of Life, bearing agency and responsibility, and the Law of Sabbath binds all of humankind to creation.

We work as we pray: on earth as in heaven!

Along with other Anglican marks of mission, our faith calls us to;

- ▶ strive to safeguard the integrity of creation and sustain and renew the life of the earth;
- ▶ seek to transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation

This document responds to the General Synod Protection of the Environment Canon 2007 which says:

"This Church recognises that climate change is a most serious threat to the lives of the present and future generations. Accordingly, this Canon seeks to reduce the release of greenhouse gases by this Church and its agencies."

The Protection of the Environment Canon was adopted by the Synod of the Diocese of Brisbane in 2009.

ST WILLIAMS PANTRY

Our parish supports the needy in our community via the St Williams Pantry. The items that keep running out are the standard storage cupboard items like pasta sauce, cereal, long life milk, tea, coffee, savoury biscuits, spreads and tinned tuna. Donations of toiletries like soap, toilet paper, shampoo etc. is also welcome. As always they are very appreciative of our support.

CONTAINERS FOR CHANGE

Please ensure that all bottle donations are provided in plastic bags and the lids of all bottles have been removed.

Only those bottles/containers with the 10c refund marked on them can be donated. Please leave these in the marked containers at both churches.
